Introduction

The 2016 – 2017 Calendar of Events serves as a reference guide and resource for communicating important dates and programs in our parish community. The directory includes a calendar of liturgical and organizational events as well as Religious Education. It also provides contact information for committee leaders of the various ministries in our Parish. The Calendar Committee has worked very hard to ensure the accuracy of the data. However, the information is subject to change, so please refer to the weekly bulletin for the most current information. The weekly bulletin (excluding summer months) and the parish website: www.StIrenes.org are additional sources for up-to-date information on our parish community. We hope you find the directory informative and useful in your participation and involvement at St. Irene Church!
